Colors may vary. Please refer to the Color Chart for actual colors. If the design is over 12 thread colors, they will not display on the Digital Sample, but they will be included and may affect the price. Actual sample is available for approval. Customer is liable for shipping expenses for actual sample. If customer refuses actual sample, World Emblem shall not be responsible for colors. Even when customer supplies the artwork file, colors may vary due to the production process and product type. Designs may be slightly modified from original art for enhancement and/or quality purposes. Upon editing the design, the documentation is null and void.
